There are, Alice decides, 272 horrible things left to happen to her in her life, based on the number of really horrible things that have happened already. She figures that out after the disaster of the talent show. And she realizes that there is no way to fend them off. But, she reasons, if you don't have a mother, maybe a sister would help. Maybe lots of sisters. A worldwide sisterhood! Sisterhood means more sympathy and less likely odds that the next horrible thing will strike when Alice is by herself. But, Sisterhood also comes with a whole new set of problems for Alice. Can she be Sisters with all three girls who want to be her brother Lester's girlfriend? In fact, how do boys fit into Universal Sisterhood at all? And how far should she go when being part of the crowd means doing something you don't want to do? Alice copes with life in her own way, and her solutions to her endless problems are often funny and surprisingly right. This item ships from multiple locations.
