She is eight-years old and she loves to write. She loves to write lists; like her favorite things and kids in her class. And she s writing her autobiography. Stella s favorite color is yellow and she LOVES fudge. As a matter of fact, there is a special fudge counter at her family s candy store because fudge is one of her favorite things to eat! But Stella has just one problem - her name. A boy from her class keeps calling her Smella after she trips on their class nature walk. ( I don t even want to say what I landed in, it was too gross, so I m just going to leave out that part. ). So Stella decides there s really only one thing to do: she has to change her name. After all, how hard can it be to pick a new name? But it s not as easy as it sounds.
