TRUCKIN TRAILERIN (PAPERBACK)

[DOWNLOAD](#)

Western Horseman, United States, 2004. Paperback. Book Condition: New. 267 x 206 mm. Language: English . Brand New Book. For today s horse owner, a truck and trailer are as essential as a saddle and bridle. A proper rig greatly expands a rider s horizons. Riding in the isolation of a home arena or on nearby trails gets old fast. Soon enough, the rider wants to venture out and enjoy riding, with other horse people. For that the horse person needs comfortable, reliable, and safe transportation. This booklet details how to find the right truck and trailer for the particular horse person s needs and budget. Also, it offers good advice on properly selecting, using, and maintaining the equipment. Much of the information is intended for the novice horse hauler, someone who hasn t spent a lot of time behind the wheel of a truck and horse trailer. Divided into two sections, The Rig guides you through some basic knowledge: how to choose a tow vehicle, how to mate it with a trailer, and how to keep both on the road. Also covered are advantages of gas versus diesel engines, gearing, cooling, optional equipment, and different types of trailer-hitch designs. The second section, On the Road Again and Again and Again, delves into the subjects of trailer loading, trailer handling, and over-the-road safety. Other topics include truck and trailer lingo, equipment maintenance, and trailer storage.
