

Die or Read This Book .or You Could Just Eat Chicken Wings (Paperback)

By Wayne Tashea

Die or Read This Book .or You Could Just Eat Chicken Wings, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. This is a true story: In late 2007, I was in the E.R. with a lab result of undetectable blood. In the days that followed, I contracted aspiration pneumonia, sepsis, and was diagnosed with myelodysplastic syndrome (MDS). This required a stem-cell transplant that led to graft-versus-host disease (GVH). My skin and fingernails fell off, I had trouble walking and needed a wheelchair, I developed achalasia of the stomach where the stomach sphincter muscle tightens and causes an inability to swallow food, and I was on a feeding tube for a year. I went blind in one eye and could hardly see in the other. I acquired cricopharyngeal achalasia where the throat closes, and it is hard to swallow. On top of this, I went insane for two and a half years. but that is not the real story. This is not just a story about living and dying multiple times or recovering from the medical problems listed above. It is, as well, a story about the inspirational...

Reviews

This publication is wonderful. Better then never, though i am quite late in start reading this one. I am very happy to tell you that here is the best book we have read through inside my personal daily life and could be the finest pdf for actually.

-- Ms. Sydnee Lesch

The publication is great and fantastic. I actually have read through and i am sure that i am going to planning to go through yet again yet again down the road. I realized this pdf from my dad and i encouraged this publication to understand.
