Red Rattle Books, United States, 2014. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****. Nothing stinks or burns like dead zombies. I arrived, saw the black smoke and the bright red flames and I knew. Zombies cause death and destruction and make brutal the humans obliged to fight them. The stories in *Zombie Bites* explore the consequences of destruction and examine the inevitable decay, social and personal, that occurs in the resistance to the apocalypse. *Zombie Bites* follows the successful and praised *Dracula's Midnight Snacks*, which contained original vampire stories. Again, horror expert, David Sanderson of *Spooky Isles*, invited horror fans to submit stories. The stories chosen should appeal to all zombie fans. Teenage angst, Americans abroad, high finance, schizophrenic confusion, lonely despair, familial dependency, treacherous Nazis, football, political schemers and sexual deviants are all featured. Even Elvis Presley and Penelope Cruz make surprise appearances. Original and worthwhile, *Zombie Bites* has a wide range of subjects and themes and some very good writing. CRIME CHRONICLES.
