### Reviews

*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*

*(Prof. Buddy Leuschke)*

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, What Small Rabbit Heard, Sheryl Webster, Tim Warnes, Toddlers and parents everywhere will recognize Small Rabbit's lack of enthusiasm as the story opens. He just doesn't want to go for a walk and he comes up with all sorts of excuses to stay indoors. But Big Rabbit is having none of it. She bundles him into his coat and out they go, with Small Rabbit shivering and grumbling as he shuffles along. Perhaps it's because he's too far behind Big Rabbit, perhaps it's because the wind is howling, but when Big Rabbit says, 'Try to keep up!' what Small Rabbit hears is 'Jump in the mud!' And so he does. In fact everything Big Rabbit says-thanks to the wind-turns from a rather humdrum instruction into something much more exciting and Small Rabbit finds himself having a really wild time. Becoming muddier by the moment, and causing more and more mayhem, Small Rabbit romps ahead. Big Rabbit's last instruction, as Small Rabbit bounds home to their burrow is, 'Please don't go inside!' (she's worried about muddy footprints and leaves all over her lovely clean burrow). But Small Rabbit thinks she's asking him to find somewhere to hide and the story ends with a resounding 'Boo!' from Small Rabbit as he jumps from his hiding place into Big Rabbit's arms, declaring 'Windy walks are lots of fun!'.
