Authentic Media. Paperback. Book Condition: new. BRAND NEW, Following the Breadcrumbs: A Journey from Darkness to Light Through Everyday Miracles, Philippa Hanna, An autobiographical account of one woman's journey into the miraculous. Following the Breadcrumbs is a story-form response to the question 'How do you know God is real?' providing an exciting and inspiring read for those exploring life's true meaning. Since a momentous night in autumn 2004, Philippa has been keeping a list of the 'signs and wonders' that then became commonplace in her everyday life. Her list helped to signpost an incredible journey of rehabilitation from hopelessness to release into a new life. It also revealed to her a genius with a strategic care-plan, training programme, and prep-school for a new life which has completely overshadowed the old. So the book itself reveals how, by the positioning of key people and regular instances of the seemingly miraculous, a dead-end life became a catalyst for change.
