Brand New Book ***** Print on Demand *****.Excerpt from Women and Soldiers Men are dear delightful people; but they don t always see very far ahead. Women are really pretty go-ahead creatures on the whole, especially in war time, and fretted at the bit held for months and months (now years) so tightly on the curb by Lord Kitchener, Mr. Lloyd George, the Food Controllers, and a host more. However, let us be thankful for the mercies that have been so graciously and tardily vouchsafed to us women as a sex. Women - soldiers. Yes. Men have become fighters, and women have become soldiers. We may fairly juxtapose them; for where would the fighters have been these well-nigh four years past but for the women soldiers? Not only did women, to start with, give them birth - and that is an achievement outside man s power (worse luck) - but hearten and spur them on to work from the moment war broke out. There was no shrinking. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
