By R. W. Livingstone. Oxford: at the Clarendon Press (1912). Pp. 250. \$2.00. Mr. Livingstone disarms criticism by disclaiming finality. His object, on the whole admirably accomplished, is to stimulate and suggest, and to help other students of Greek life and literature, whether by agreement or disagreement, to give some definition and coherency to the fleeting impressions, which are often all that is left after ten years study of the Greeks. Ten years! It is the number of Epic convention and also of Philistine diatribes on the waste of time in classical education. Do they really study Greek ten years in England? No wonder that they find our Rhodes Scholars imperfectly prepared. I do not wish to cavil at the phrases which Mr. Livingstone employs to justify and recommend his ambitious undertaking. But the implication that...
