Too often, we turn to chemicals that while useful in the short term, have long term repercussions on our bodies. The use of essential oils as a safer alternative is a fantastic way of keeping your family healthy and happy without exposing them unnecessarily to harsh medications, chemicals or products - but it is important not to underestimate these potent gifts of nature. Misuse of essential oils can be at least as dangerous as pharmaceutical or commercial solutions, if not used correctly! In this book we will show you the correct, safe way to make your own collection of aromatherapy treatments and products from scratch, whether for your own use or because you are trying to start your own business. We cover all of the basics that you will require to make sure that you approach your projects safely and effectively, with...
