Moody Publishers. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 6.8in. x 5.0in. x 0.6in. With over 40 million books sold, bestselling author Josh McDowell is no stranger to creatively presenting biblical truth. Now, partnering with fellow apologist Dave Sterrett, Josh introduces a new series targeted at the intersection of story and truth. The Coffee House Chronicles are short, easily devoured novellas aimed at answering prevalent spiritual questions. Each book in the series tackles a long-contested question of the faith, and then answer these questions with truth through relationships and dialogue in each story. In *Is the Bible True, Really: A Dialogue on Skepticism, Evidence, and Truth*, we meet Nick, a college freshman at a state school in Texas. Nick has his spiritual world turned upside-down with what he hears in an introduction to religion class. His questions turn into conversations as he dialogues with professors, friends, and family about the authenticity and authority of the Bible. The other two books in the series: *Who is Jesus, Really* and *Did the Resurrection Happen, Really* continue the unfolding story at the college campus and the coffee house down the road. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
