Saga Press, United States, 2015. Paperback. Book Condition: New. Reissue ed.. 188 x 104 mm. Language: English . Brand New Book. The cons get twistier and the stakes get higher in this second book of The Curse Workers trilogy: a sleek and stylish blend of urban fantasy and crime noir ( Booklist ). Curses and cons. Magic and the mob. In Cassel Sharpe s world, they go together. Cassel always thought he was an ordinary guy, until he realized his memories were being manipulated by his brothers. Now he knows the truth he s the most powerful curse worker around. A touch of his hand can transform anything or anyone into something else. After rescuing his brothers from Zacharov s retribution and finding out that Lila will never be his, Cassel is trying to reestablish some kind of normalcy in his life. That was never going to be easy for someone from a worker family tied to one of the big crime families, and a mother whose cons get more reckless by the day. But Cassel is also coming to terms with what it means to be a transformation worker and figuring out how to have friends. But normal doesn t last very long soon Cassel is being courted by both sides of the law and is forced to confront his past. A past he remembers only in scattered fragments and one that could destroy his family and his future. Cassel will have to decide whose side he wants to be on because neutrality is not an option. And then he will have to pull off his biggest con ever to survive. Love is a curse and the con is the only answer in a game too dangerous to lose.
