BRAND NEW, The Thinking Moms' Revolution: Autism Beyond the Spectrum: Inspiring True Stories from Parents Fighting to Rescue Their Children, Helen Conroy, Lisa Joyce Goes, Robert W. Sears, "The most amazing, inspiring, ball busting, loving bloggers out there. [These] chicks rock." --Jenny McCarthy The Thinking Moms' Revolution (TMR) is a group of twenty-three moms (and one awesome dad) from Montana to Malaysia who all have children with developmental disabilities. Initially collaborating online about therapies, biomedical intervention, alternative medicine, special diets, and practicing professionals on the cutting edge of treatment approaches to an array of chronic and developmental disabilities such as autism, sensory processing disorders, food allergies, ADHD, asthma, seizures, PANDAS, and other related conditions, they've come together into something far more substantial. Here, collected by Helen Conroy and Lisa Joyce Goes, are the stories of the moms and their fights to recover their kids from autism and related disorders. With each chapter written by a different TMR member, they share how they discovered each other, what they learned from each other, and why it's important to have close friends who understand what it's like to parent a child with special needs. You'll read about the Thinking Moms' experiences, and learn how their determination and friendships have become a daily motivation for parents worldwide.
